### Watch The Med Alarm Phone Investigations – 09th of September 2022

Case name: 2022\_09\_06-Eastern Med- 994

Situation: One person injured, but arrived in camp autonomously

Status of WTM Investigation: Concluded Place of Incident: Eastern Med

#### Summary of the Case:

In the evening on September 9th, we were informed about an injured person lost in the forest on Lesbos. We could not establish direct contact with the woman and were unable to establish her location. We called different authorities to look for information, without result. Later in the day, relatives informed us that the woman arrived in the camp by herself.
